3 Can a heart dance?

Two children write about a happy day. Read both cards.

LEA

"We sang together in the garden."

MIKA

"My heart is dancing!"

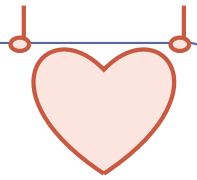

Who uses a picture in words to say "I am happy"?

- ☐ **Lea**
- ☐ **Mika**

You do not need to draw a heart that really jumps!

4 Draw a landscape of joy

If joy were a place, what would it look like? Draw and colour your own place. There is no single right answer.

5 Make a song together

Say one short line about helping someone. A friend makes up the next line. Clap the rhythm from task 2, or make up your own. Take turns to start.
