## 1 Find a place that fits

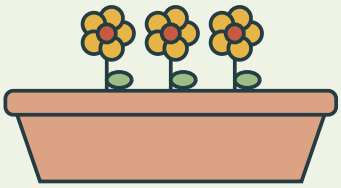

Read the children's hopes. Write A, B or C by each card. The picture and the cards can stay in view the whole time.

A

C

**MIRA** ☐

I hope I can rest my legs.

**MIKA** ☐

## 2 A hope or something seen?

Read one line. Put a cross in the box that fits. A hope tells us something we wish for.

|---|---|---|
| "I hope the sun comes out." | ☐ | ☐ |
| "I saw three flowers in a pot." | ☐ | ☐ |
| "I hope my friend comes." | ☐ | ☐ |

## 3 Find the pot from Mika's account

Mira and Mika are talking about another garden. Read the cards. Circle the picture that fits what Mika says he saw.

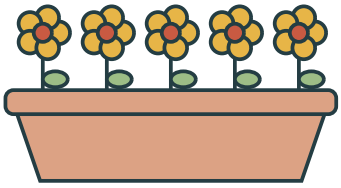

**MIRA**

"I hope five flowers will grow in the pot."

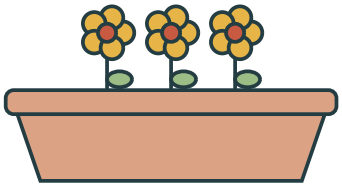

**MIKA**

"I saw three flowers in the pot."

**A**

**B**

## 4 Draw something you hope for

What would you like to have in a garden? Draw your idea. You make this one up yourself.

## 5 Build, look and wish

Build something with blocks together. First say one thing you see in what you built. Then say one thing you wish to add. Let your friend do the same.
